

Edexcel GCSE Drama: 2DR01

Eduqas GCSE Drama: Subject Content

The WJEC Eduqas GCSE Drama specification is designed to give learners a broad and balanced experience of drama. The specification is designed to integrate knowledge and understanding of how drama and theatre is developed and performed across a range of dramatic activities. Across the three components learners will study:

- one complete performance text
- two extracts from a second contrasting performance text placed within the context of the whole text
- either the techniques of an influential theatre practitioner or the characteristics of a genre of drama.

Learners will have the opportunity to work practically as designers and/or performers on:

- one devised performance using the techniques or characteristics of their chosen theatre practitioner or genre
- one performance based on the second contrasting performance text using sections of text from the two extracts.

In Components 1 and 2, learners are given the opportunity to develop acting and/or design skills as appropriate to their interests and facilities available in the centre. Learners may choose the same skill for each component, or a different skill for each component. Learners must choose from the list below:

- performing
- lighting design
- sound design
- set design (including props)
- costume design (including hair and make-up).

Learners should adopt safe working practices in all components as directed by the centre.

In addition to their own theatre making, learners must also know and understand the roles of performer, designer and director, and participate in theatre as an audience member
