Parents and Carers,

We are advised by the Department for Education, that all pupils who are close contacts of any positive case must undertake a LFT daily before coming into school and do this for 7 days.

At present we have a number of pupils off school due to testing positive across all year groups, and it would massively help to reduce the risk of transmission if, for the last few days of term, all pupils would test themselves before coming to school - and only attend school if the result is negative.

We know there is much news regarding the availability of Lateral Flow Tests at present - but we have thousands in school, certainly enough for all pupils, and if needed family members too -just ask your child to visit the office and we can supply sufficient to see you through the holiday period.

Many thanks for your support.

I wish you a Happy and Safe Christmas.

Justine Lee,

School Business Manager
