

KS4 Creative iMedia

Cambridge Nationals in Creative iMedia ([J817](#))

The Cambridge National in Creative iMedia equips students with the wide range of knowledge and skills needed to work in the creative digital media sector. They start at pre-production and develop their skills through practical assignments as they create final multimedia products.

In this course, pupils study 4 units (25% each), including two mandatory units

- Pre-production skills
- Creating digital graphics

And two of the following optional units

- Creating a multipage website
- Creating interactive multimedia products
- Designing a game concept
- Developing digital games

The learning and skills developed in these lessons support the learning at Cambridge Technicals in IT.
