Mathematics Paper 3 (calculator)	09/11/2026

Please note these dates are provisional for guidance only.
The exam boards **always** make some changes to the dates.

Attendance at all examinations is now more important than ever. As GCSEs are now linear pupils who miss an exam without a doctor's note will receive a score of 0 and a final GCSE grade substantially below their capabilities. In the event that a student is too ill to attend for an exam please contact Miss Fennell at school before the exam for advice.
