# Alder Grangers leave feeling valued, cared for, and always part of our family.

## ACHIEVEMENT

At Alder Grange, we ensure all pupils achieve their full potential, thrive in school and make strong academic progress.

- A broad and balanced curriculum
- Research driven teaching & learning
- Development of vocabulary & reading
- Strong academic progress for all pupils

## At Alder Grange, we emphasise from Year 7 what it means to be part of a community built on strong, supportive relationships.

Many staff are former pupils, and generations of families continue to choose Alder Grange, reflecting deep community ties. These relationships extend beyond the classroom through a range of clubs, competitions and trips.

We have high expectations for all pupils, ensuring academic progress alongside essential life skills.

Lessons are structured to support all learners, with extra help provided where needed.

Inclusivity is central, and we enforce zero tolerance for bullying or discrimination, ensuring a safe environment for everyone.

Our behaviour policy focuses on relationships, with clear rules and support for those who need it. Wellbeing is a priority, with emotional and physical health support available for all.

Pupils are encouraged to express themselves and develop self-awareness. Support doesn't end when students leave; many return to seek advice or share successes, knowing they are valued.

## BELONGING

Continued “pride in their school” and a strong sense of belonging for both pupils and staff, creating a supportive and inclusive environment.

- Carefully planned transition at all stages
- Positive behaviour
- Strong attendance & support
- Excellent relationships
- Wellbeing support
- Working in partnership with parents

## ASPIRATION

All pupils and students aspire to achieve the best they can, have a positive view of ‘what they are good at’ and have clear goals for next steps after Alder Grange.

- Rich extra-curricular offer
- Careers education and experiences
- Strong links with local business & community
- Former students acting as Ambassadors to support current students
